

Day trip ESSoESS

Start the day with breakfast or refreshments on the boat. Our captain with crew will tell you more on what the day has to offer.

Soon after we'll depart from the harbor. Be sure to stand on the deck to see all the yachts and ships on your way out.

Soon enough we'll set anchor in Magaluf, Portal Vells, Cala Falcó or Cap Rocat where we'll make time for some fun snorkeling, bathing, and sun catching from the bow of the boat.

Around midday, we'll depart for some well-deserved lunch at one of our favorite places, maybe Cala Vinyes Chiringuito, Nikki Beach in Magaluf, Il Chiringo at Palma Nova, Hotel Bendinat, or Cap Rocat Beach Club*.

After a nice lunch we'll head back to the boat for some afternoon drinks and ocean swimming, before heading back to Palma harbor where we won't say goodbye but see you soon again!

*If we go to Cap Rocat we'll stay on that side of the island for swimming and sunbathing
